## **Illinois State Trapshooters Association President**

It is our pleasure to welcome you to the 148th Illinois State Trap Shoot. Thank you for attending. We're glad you're here!

The ISTA Board of Directors and the Mohr family have been working hard throughout the year to offer you a great shooting experience at our state shoot and hope it will be memorable for you, and you decide to return year after year.

Upon arriving on the grounds of Brittany Shooting Park, you will see the amazing progress of the Illinois Hall of Fame Museum. Even though all the displays will not be in place, and a few things will still need to be finished with the building, please join us for a ribbon cutting ceremony on Tuesday evening after the HOF Induction Celebration. We will also be distributing trophies from the building this year. Make sure you stop in and check it out. We are still accepting donations for the completion of the building. If you haven't purchased one of the 400 tickets being sold for a Kolar Combo to be given away on Sunday of the State Shoot, find an ISTA Director for the chance to be the new owner of this beautiful gun. Thank you to Kolar for their support of this raffle. We are also still selling memorial/congratulatory bricks that will make up the Hall of Fame sidewalk. If you have any items you would like to donate to be on display in the HOF museum, please contact one of the ISTA Directors listed on page 4 of the program.

I want to give a HUGE shout-out to the IL Gun Clubs listed on page 11 of the program. These 22 clubs have stepped up and donated a total of \$3,000 for the IL Gun Club Lewis offered during Events #5, #8, and #11. If you see a member of any of these gun clubs, make sure you thank them for their donation and their appreciation to the shooters who spend their hard-earned money at their clubs.

Thank you to all the event sponsors, advertisers, and exhibitors attending our state shoot. We are thankful for the goods and services they provide. We encourage you to support those on-site at the State Shoot and the program sponsors in neighboring communities.

A final thank you to our ISTA Board of Directors for their tireless hard work and dedication to this sport.

**Good luck and have a great 2024 State Shoot,**

**Bill Maiden**

The world's best ammunition, together with the world's best targets, will serve millions of people who participate in the competitive and recreational shooting sports.

# Welcome To The 148th Annual ILLINOIS STATE SHOOT CLASSIFICATION

**CLASSIFICATION WILL OPEN MONDAY, JUNE 10, 2024 AT 9:00 a.m.**

**ALL SHOOTERS** must have a complete list of their target scores and averages up to date. If not up to date, shooter may be classified at the discretion of the Classification Committee.

Any shooter with less than a total of 500 16-yard targets for the current shoot year shall shoot no less than Class B. Any shooter who has shot less than 300 doubles targets for the current year shall shoot no less than Class B.

Any shooter who has shot less than 500 handicap targets for the current year shall shoot penalty yardage.

**PENALTY YARDAGE WILL BE AS FOLLOWS: YOUR CURRENT ATA ASSIGNED YARDAGE PLUS A MINIMUM OF TWO (2) YARDS TO A MAXIMUM OF 25 YARDS.**

Penalty yardage will be waived for Senior Veterans.

It shall be the shooter's responsibility to shoot the assigned yardage.

ALL TARGET requirements are based from September 1, 2023, and must be on your current card.

All class winners and ties, resident and non-resident, must report to Handicap Committee for reclassification prior to the next day's event. It is the shooters responsibility to shoot the correct classification or yardage.

Starting Wednesday all winners and ties move up a class.

I.R.S. regulations require a Social Security number before accumulated event winnings of over \$600 can be distributed.

Classification Committee personnel will be able to directly input Social Security numbers at the time of classification.

If you anticipate receiving option checks through the mail, it will be necessary to report your Social Security number at the time of classification.

The Classification Committee reserves the right to reclassify or disqualify any shooter at any time.

An error at the handicap table does not relieve shooter of the responsibility of knowing the rules and shooting in the proper class and at the proper yardage.

## SPECIAL CATEGORIES

**It is the responsibility of the shooters to make sure that all special categories** (Lady 1, Lady 2, Sub-Junior, Junior, Junior Gold, Sub-Veteran, Veteran, Senior Veteran, and Elder) are declared at the time of classification in any tournament if they wish to compete as a category shooter.

Without such declaration, the contestant will not be allowed to compete for the applicable category trophy. The only exception to this rule will be to correct an ATA classification error.

The following rules apply to shooters who have declared a special category:

At all tournaments where All American points will be awarded in any event, shooters may declare only one (1) category (i.e. Lady 1, Lady 2, Sub-Jr., Jr., Jr. Gold, Sub-Vet., Vet., Sr. Vet)

- Note: Chair shooters are exempt from this rule •

1. A female shooter, who has not reached her 55th birthday, may declare Lady 1
2. A female shooter, who has reached her 55th birthday, may declare Lady 2
3. A shooter who has not reached his/her 15th birthday may declare Sub-Junior

Welcome Shooters to the 2024 Illinois State Shoot. We are glad you choose to come here. Shoot well.

There have been a lot of changes since our last state shoot. Vista Outdoors and Perazzi have been acquired by Czechoslovak Group. White Flyer has been acquired by Winchester and there are probably more that I have missed. With the economy we have today, the wars in Ukraine and Gaza, acquisitions, etc., prices have continued to increase, and availability of powder and primers is still a problem. On the positive side, ammunition supplies are improving. Reach out to me and I will do my best to fill your needs.

Finally, don't forget to voice your opinion this November with your VOTE!

# IN MEMORY OF MIKE JORDAN

Every sport has their “greats,” and trapshooting lost one of theirs in October 2023. Mike Jordan was a world-class competitor and friend of many in the shooting industry. What started as a way to hone his skills for hunting became his passion and career from 1967 until he fired his last registered shot in August 2022.

There are a lot of people who say they have done it all, but not many have been as successful at doing so as Mike Jordan. The same year he began registering his targets, he started working for Olin Corp. as a development engineer where he helped develop many handguns and rifles and shot shell products. He won more titles at the state and national level than you can count. He was an All-American 24 times (a Captain 9 times). He holds the industry record averages with 99.41% on 2,050 singles (1993) and 94.94% on 1,700 27-yd handicap (1994). His 2014 combined average of 95.67% remains fifth on the all-time Senior Vet list. Not only was he a star in American Trap, but he also excelled in flyer championships, competing in both the U.S., and Internationally - winning a Cup in Spain in 1981. He completed his Grand Slam in 1985, was inducted into the IL Hall of Fame in 1993, and into the ATA Hall of Fame in 2012. In his lifetime, he registered 450,650 ATA targets.

Mike was a stranger to no one. If he didn't know you, he was sure to get your name. He was one of the first people to find someone in a crowd to congratulate them on a big win. He wasn't one to brag and boast about his own scores - his accomplishments did the talking. He helped more people in shooting than anyone will ever know. He was passionate, humble, and deeply loved his friends and family.

Please join us in front of the clubhouse between events on Friday, June 14, 2024, to celebrate the life of Mike Jordan. His squad for the last 15 Illinois State Shoots will be firing ceremonial shots, memories will be shared, and prizes will be drawn. Everyone registered in the handicap will be eligible for the prizes. We would like to thank Mike's decades-long best friend, Mike Hampton; Winchester; Federal; and Remington, as well as friends for their generous donations to the celebration.

## Be a Part of the Legacy of the **ISTA Hall of Fame** with a **Hall of Fame Brick Paver**.

Members and friends of the ISTA, as you know, we are working on a fundraising initiative to raise money to build a "**Hall of Fame**" addition to our building at the Brittany Shooting Park. ISTA members, former and present as well as family members and friends can purchase a personalized, engraved brick paver that will be used to build a sidewalk in front of the **Hall of Fame** building entrance. Show your support of our organization, recognize your local club, or purchase a brick to remember a past shooter or accomplishment, that everyone will be able to see for years to come. *When you sponsor a brick, you are creating a lasting legacy of your support.*

*To place your order, stop in or mail your completed form with payment to:*

Illinois State Trapshooters Association      1403 Elm Street      Spring Grove, IL 60081
